Remarks

Savor one of the most breathtaking lake, golf, and preserve settings in Lakewood Ranch from this beautifully appointed Westover II model nestled in a serene, private setting on the King's Dunes golf course in The Country Club. The light and bright 3,885 square foot residence custom built by Neal Signature Homes boasts westerly views showcasing perfectly proportioned spaces, exceptional design, newly painted interior and exterior, volume ceilings, engineered wood flooring, and stunning sunsets nightly. The recently installed new panoramic screened lanai cage further accentuates the outdoor living experience, along with the heated pebble tec pool/spa with sun shelf, two separate covered areas, gas fireplace and an outdoor Summer kitchen. The surrounding vistas bring the unmatched optic experience indoors seamlessly via sliding glass doors and a plethora of transom windows, with architectural details and designer touches throughout, including tray ceilings, crown moldings, and trimmings at every turn. An invitingly large great room open to the kitchen where form, function and design reigns cohesively with sprawling granite counters, wood cabinetry, high performance appliances, breakfast bar, a walk-in pantry, and a breakfast nook area adorned with the surrounding views.
